Brighter Horizons Academy's admission process and criteria aim at considering each applicant holistically. Our decisions are based on the evaluation of the applicant's values, character, academics, behavior, selfmotivation, and citizenship.

For any question related to admission and enrollment, please visit our <u>website</u> (Admission tab) or contact the Office of Admission by phone at 972-675-2062 ext. 125 or by email at officeofenrollment@bhaprep.org

What are priority deadlines? Each year we receive many more applications than we have open seats available. We therefore encourage families to apply and complete their admission process as early as possible before our sections fill up. Applicants who will meet our priority deadlines will be receiving an admission decision earlier. We will continue to accept applications after these deadlines and accept successful applicants on a rolling basis, with longer delays.

□ Step 1: Apply for Admission – Applications open on November 12, 2020 Submit your online application and pay a \$50.00 non-refundable fee per application by January 18, 2021 (priority deadline). Applications do not roll over from one year to the next. *Note*: PK1 applicants must be 3 years old by October 1, 2021; PK2 applicants must be 4 years old by October 1, 2021; KG applicants must be 5 years old by October 1, 2021. PK-KG students must be fully potty-trained. *Please contact the Office of Admission before applying for 11th or 12th grade.* 

### ☐ Step 2: Create online family account & submit all required documents

Log in to BHA online school system and create a family portal. Make a note of required documents. Provide your child's current school with the School Records Release form available on our website. <u>All documents</u> must be uploaded/submitted via your family portal to the Office of Admission by February 22, 2021 (priority deadline).

Documents required: birth certificate, up-to-date immunization records, academic records (at least previous and current year's report card), official transcript (9th-12th grade applicants), state testing results (at least previous year's results), and disciplinary/behavioral report.

Note: Copies must be legible and clear. Pictures of documents will NOT be accepted.

# ☐ Step 3: Take the Admission Test & Interview by March 1, 2021 (priority deadline)

Upon receiving and processing all documents, the Office of Admission will contact you to schedule your child's admission test. We advise parents/guardians to submit the required documents as early as possible in order to get an early testing date. We have limited seats available on each testing dates. Testing dates are set by the Office of Admission. At the time of testing, the \$100 non-refundable onsite testing fee per applicant and the \$1,000 non-refundable enrollment fee per family are due. The family fee is refundable only if certain conditions are met.

## ☐ Step 4: Review and Decision for Admission

Admission decisions will be communicated to the parents/guardians by email **between March 22 and March 26, 2021** to those applicants meeting all of the above deadlines and instructions. For applicants who did not meet these deadlines and instructions, admission decisions will be given on a rolling basis.

Decisions: Acceptance, Waiting Pool, Non-Acceptance.

## $\hfill \square$ Step 5: Upon Admission, Complete the Enrollment Process to Secure your Child's Seat

- Read the Parent/Student Handbook.
- Print, sign and return the Enrollment Agreement and the Health Information Packet with a copy of one parent's photo ID to the Office of Admission within 5 business days of the acceptance date.
- Submit your payment for the first tuition installment (non-refundable) by May 7, 2021 (or within 5 business days

- thereafter).
- Submit your child's 2020-2021 final academic records by August 6, 2021.

## **Important Information and Requirements**

### Application:

- By putting in an application for admission at Brighter Horizons Academy, parents/guardians agree to abide by Brighter Horizons Academy's policies as laid out in the "Instructions for Admission and Enrollment" and in the "Parent/Student Handbook". These documents can be made available in hard copies upon request.
- Parents/guardians are highly encouraged to apply and complete the entire admission process as early as possible. Applicants who do not meet our priority deadlines might experience long delays in their admission process, especially in the summer. Once the Office of Admission receives the completed application form and fee, the applicant will be in our system and parents/guardians will start receiving important communications, including reminders for upcoming deadlines. Parents/guardians are expected to respond to our communications within 5 business days, otherwise the application will be considered inactive. Applications will be withdrawn after 10 business days of inactivity unless a notification and legitimate reason for such inactivity is communicated to the Office of Admission. This rule also applies to the Waiting Pool. The Office of Admission will primarily communicate by email.
- During the admission and enrollment process, the Office of Admission may contact the applicant's current and/or previous school(s) for any records needed. Parental permission is no longer required when records are requested by authorized school personnel (FERPA Final Rule on Education Records, Federal Register, June 17, 1976, VOL/ 41 NO. 118, Page 24673).
- Brighter Horizons Academy does not maintain a waiting list for applications. Putting in an application does not
  guarantee admission and/or enrollment at BHA. The admission process must be complete before an admission
  decision can be given to the family.
- Students requiring special educational programs or services (such as: 504 plan, ESL/ELL classes, Special Needs) and
  who have not met the exit criteria for their program/service cannot be considered for admission at Brighter Horizons
  Academy as we do not have the necessary resources to care for them at this time. Please consult with your child's
  current school and consider their recommendations before applying to Brighter Horizons Academy.
- Applications do not carry over to the following school year.

#### **Required Documents:**

- It can take up to three business days to process an application or required materials. It is the parents/guardians' responsibility to ensure that all required documents have been submitted. Delays might occur after March 22, 2021 and especially during the summer. Parents/guardians are expected to request documents from their child's previous/current school by using the School Records Release provided by the Office of Admission and to follow up with their child's current school on that matter. Brighter Horizons Academy will not be responsible if documents are not submitted on time by the parents/guardians or by the previous/current school.
- The Office of Admission will send regular notifications on missing documents and will also notify parents/guardians about a week after the required documents deadline if documents are still missing.
- All 9th-12th grade applicants must submit an official transcript and will have their credits reviewed by the College
  Guidance Department to ensure that the applicant will be able to meet Brighter Horizons Academy's graduation
  requirements and graduate on time. The College Guidance Department will evaluate at this time if any credit recovery
  will be needed. If accepted at Brighter Horizons Academy, any missing or insufficient credits will be made up for by
  the student at the family's financial responsibility through accredited, approved options.
- For 11th and 12th grade applications: we highly encourage applicants to familiarize themselves with the specificities of each track we offer in order to apply for the most suitable one. Applicants and their families should contact the Office of Admission for more information if necessary. Once all documents have been submitted, the College Guidance Department will evaluate if the applicant can be considered for the track applied for, and advise otherwise when necessary.
- If additional documents besides those listed above are deemed necessary to assess your child for admission purposes, delays might be experienced in the admission process and/or decision until such documents can be collected.
- If some required documents are not available, parents/guardians must inform the Office of Admission which will consult with the Leadership Team to waive the necessity for such documents. Parents/guardians might be requested to provide other documents in their place.

## **Testing:**

Applicants who have submitted <u>all</u> of their required documents will receive instructions regarding their admission
test and interview. Testing and interview cannot be scheduled until all documents have been received. If a grade level
is full, applicants will still receive testing and interview instructions. Applicants whose grade level is full are highly
encouraged to proceed with testing and interview in order for them to finish the admission process and be placed on

the Waiting Pool if they meet all of our admission requirements. See details about the Waiting Pool under "Admission Decisions".

Dates and times for onsite testing/interviews and virtual testing/interviews are set by the Office of Admission, which
strives to accommodate families whenever possible. Offsite testing has to be arranged by the family/applicant directly

- with the respective test location. Brighter Horizons Academy will not be held responsible if testing cannot be arranged on the date and time requested by the family, whether onsite or offsite, and our deadlines will still apply.
- It is the applicant's and their parents/guardians' responsibility to appear on time at their scheduled testing and/or interview and to inform the Office of Admission prior to the scheduled testing and/or interview time if they need to reschedule. If an applicant is late for testing and/or interview, the Office of Admission reserves the right to reschedule the applicant at a later date. If an applicant is a "no-show" (i.e. the applicant does not appear for a scheduled testing and/or interview and no communication has been made with the Office of Admission prior to testing or shortly thereafter in emergency situations) at two consecutive scheduled dates for testing and/or interview, the application will be withdrawn.
- If the applicant has taken MAP (Measure for Academic Progress) Growth testing within the school year applied for at their school, please provide their results. If satisfactory, they will not need to go through testing (whether at Brighter Horizons Academy or offsite) and will be invited for the admission essay and interview only.
- 11th and 12th grade applicants only: if the applicant has already taken the TSI or the SAT or ACT, please provide their results. If satisfactory, they will not need to go through testing (whether at Brighter Horizons Academy or offsite) and will be invited for the admission essay and interview only.
- All applicants coming to Brighter Horizons Academy for testing and/or interview are expected to follow Islamic etiquette both in clothing and conduct. Girls applying for 5th grade and up need to wear a headscarf.
- PK-5th grade applicants: for safety reasons, parents/guardians will be required to stay at Brighter Horizons Academy throughout the duration of the test and interview.

#### **Admission Decisions:**

- For those applicants who meet all of our deadlines and instructions, an admission decision will be communicated via email. If you believe that you have met all deadlines and did not receive an admission decision, you can contact the Office of Admission regarding the status of your child's admission starting March 26, 2021. Do not inquire on an admission decision prior to March 26, 2021.
- For applicants who did not meet these deadlines and instructions, admission decisions will be given on a rolling basis. Note that delays might occur especially during the summer.
- All admission decisions will be communicated by the Office of Admission by email only. Admission decisions given
  over the phone or in person, or by other entities or persons should not be considered final.
- Admission decisions:
  - Acceptance The applicant has met all of BHA admission criteria and is offered a seat.
  - Waiting Pool The applicant has met all of BHA admission criteria, however, the grade level is full and the applicant has been placed on the Waiting Pool.
  - Non-Acceptance The applicant has not met all of BHA admission criteria and cannot be offered a seat.

Please note that acceptance at Brighter Horizons Academy is never guaranteed.

• Our admission decisions are based on the documents and information submitted by the parents/guardians and the applicant's previous/current school(s), the admission test results, the interview, any previous records of the applicant at Brighter Horizons Academy, and the behavior observed throughout the admission process.

### **Waiting Pool:**

- Applicants placed on the Waiting Pool will receive a notification with their rank. The Waiting Pool works on a first-come, first-served basis (with priority given to staff children first and siblings of current families second). Once a seat opens in the grade level, parents/guardians will be notified by email and they will need to accept or decline the acceptance offer within 24 hours of the email. If they accept the offer, they will receive an official Letter of Acceptance by email with further instructions on the Enrollment process. If they decline the offer, the application will be withdrawn. If they do not respond on time, the Office of Admission will offer the seat to the next applicant on the Waiting Pool and the non-responder will take the next rank on the Waiting Pool.
- Parents/guardians are highly encouraged to find an alternative option for their child's education if they are placed on the Waiting Pool.
- Please note that a few seats generally open within the first week of the school year due to non-relocations and noshows.
- The Waiting Pool does not carry over to the following school year.
